**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There's no fiber coming to my house today, and I live in Silicon Valley. We rely on ADSL service, and the only straightforward deal has been through Sonic. AT&T had teaser rates, and capped speed. I'm convinced that without local competition for DSL copper, prices for internet would be ridiculous, and service terrible.
